AMS PLAN DRAFT REVIEW

The Area Maritime Security Plan draft is now available in PDF format for review at our website. To view the publicly available version of the AMS Plan, point your web browser to [http: www.uscg.mil/d7/units/mso-jax/maritime_security.htm](http://www.uscg.mil/d7/units/mso-jax/maritime_security.htm). Be advised that portions of the text of the AMS Plan were intentionally removed from the public's view because it contains Security Sensitive Information (SSI). SSI designation allows the Coast Guard to restrict dissemination of information capable of harming National Security if it were released to the wrong people. The Federal Maritime Security Coordinator (FMSC) will approve certain individuals to have access to SSI documents. You may contact the FMSC to request access to SSI by writing to FMSC, U.S. Coast Guard, 7820 Arlington Expressway Suite 400, Jacksonville, FL 32211-7445.

Comments will be accepted in writing or by email on or before January 16, 2004. For questions or comments concerning this matter, please contact LT Tedtaotao at (904) 232-264 ext 153 or LT Angela Caldwell at (904) 232-2640 ext 149.
